Abraham Mfg., Inc.

At **Abraham Mfg., Inc.** our goal is to consistently produce high quality furniture which is not only beautiful and comfortable, but also durable and affordable. We accomplish this goal by using experienced wood craftsmen, time tested methods, quality materials and the latest technology. We manufacture pews, pulpits, communion and offering tables, lecturns, flower stands, prayer benches, and most furniture associated with churches. If this brochure does not contain an item that you are interested in, our trained staff can also manufacture custom furniture to your exact specifications

WHAT'S NEW

The pew end shown on this page, and the pulpit on the cover, has our new marbleized finish. The marbleized finish comes in four colors; **MAUVE**, **BLUE**, **GRAY**, **GREEN**, which can be lightened or darkened, and comes with or without lines. Marbleizing offers each of our customers something exciting and different.
